25          of the period for implementation, a jurisdiction that fails,

6 U.S.C. 3750 et seq.).

7 (b) STATE CONSTITUTIONALITY.—

8 (1) IN GENERAL.—When evaluating whether a  
9 jurisdiction has substantially implemented this title,  
10 the Attorney General shall consider whether the juris-  
11 diction is unable to substantially implement this title  
12 because of a demonstrated inability to implement cer-  
13 tain provisions that would place the jurisdiction in  
14 violation of its constitution, as determined by a rul-  
15 ing of the jurisdiction's highest court.

16 (2) EFFORTS.—If the circumstances arise under  
17 paragraph (1), then the Attorney General and the ju-  
18 risdiction shall make good faith efforts to accomplish  
19 substantial implementation of this title and to rec-  
20 oncile any conflicts between this title and the jurisdic-  
21 tion's constitution. In considering whether compliance  
22 with the requirements of this title would likely violate  
23 the jurisdiction's constitution or an interpretation  
24 thereof by the jurisdiction's highest court, the Attor-  
25 ney General shall consult with the chief executive and

1     chief legal officer of the jurisdiction concerning the ju-  
2     risdiction's interpretation of the jurisdiction's con-  
3     stitution and rulings thereon by the jurisdiction's  
4     highest court.

5           (3) *ALTERNATIVE PROCEDURES.*—If the jurisdic-  
6     tion is unable to substantially implement this title be-  
7     cause of a limitation imposed by the jurisdiction's  
8     constitution, the Attorney General may determine  
9     that the jurisdiction is in compliance with this Act  
10    if the jurisdiction has made, or is in the process of  
11    implementing reasonable alternative procedures or ac-  
12    commodations, which are consistent with the purposes  
13    of this Act.

14          (4) *FUNDING REDUCTION.*—If a jurisdiction does  
15    not comply with paragraph (3), then the jurisdiction  
16    shall be subject to a funding reduction as specified in  
17    subsection (a).

18          (c) *REALLOCATION.*—Amounts not allocated under a  
19    program referred to in this section to a jurisdiction for fail-  
20    ure to substantially implement this title shall be reallocated  
21    under that program to jurisdictions that have not failed  
22    to substantially implement this title or may be reallocated  
23    to a jurisdiction from which they were withheld to be used  
24    solely for the purpose of implementing this title.

1       (d) *RULE OF CONSTRUCTION.*—The provisions of this  
 2 title that are cast as directions to jurisdictions or their offi-  
 3 cials constitute, in relation to States, only conditions re-  
 4 quired to avoid the reduction of Federal funding under this  
 5 section.

 7       **(SOMA) PROGRAM.**

 12 a jurisdiction to offset the costs of implementing this title.

13       (b) *APPLICATION.*—The chief executive of a jurisdic-  
 14 tion desiring a grant under this section shall, on an annual  
 15 basis, submit to the Attorney General an application in  
 16 such form and containing such information as the Attorney  
 17 General may require.

18       (c) *BONUS PAYMENTS FOR PROMPT COMPLIANCE.*—A  
 19 jurisdiction that, as determined by the Attorney General,  
 20 has substantially implemented this title not later than 2  
 21 years after the date of the enactment of this Act is eligible  
 22 for a bonus payment. The Attorney General may make such  
 23 a payment under the SOMA program for the first fiscal  
 24 year beginning after that determination. The amount of the  
 25 payment shall be—

1           (1) 10 percent of the total received by the juris-  
 2           diction under the SOMA program for the preceding  
 3           fiscal year, if that implementation is not later than  
 4           1 year after the date of enactment of this Act; and

5           (2) 5 percent of such total, if not later than 2  
 6           years after that date.

7           (d) *AUTHORIZATION OF APPROPRIATIONS.*—In addi-  
 8           tion to any amounts otherwise authorized to be appro-

### 3 **TITLE V—CHILD PORNOGRAPHY** 4 **PREVENTION**

#### 5 **SEC. 501. FINDINGS.**

6 Congress makes the following findings:

7 (1) The effect of the intrastate production, trans-  
8 portation, distribution, receipt, advertising, and pos-  
9 session of child pornography on the interstate market  
10 in child pornography.

11 (A) The illegal production, transportation,  
12 distribution, receipt, advertising and possession  
13 of child pornography, as defined in section  
14 2256(8) of title 18, United States Code, as well  
15 as the transfer of custody of children for the pro-  
16 duction of child pornography, is harmful to the  
17 physiological, emotional, and mental health of  
18 the children depicted in child pornography and  
19 has a substantial and detrimental effect on soci-  
20 ety as a whole.

21 (B) A substantial interstate market in child  
22 pornography exists, including not only a multi-  
23 million dollar industry, but also a nationwide  
24 network of individuals openly advertising their  
25 desire to exploit children and to traffic in child

1        pornography. Many of these individuals dis-  
2        tribute child pornography with the expectation of  
3        receiving other child pornography in return.

4            (C) The interstate market in child pornog-  
5        raphy is carried on to a substantial extent  
6        through the mails and other instrumentalities of  
7        interstate and foreign commerce, such as the  
8        Internet. The advent of the Internet has greatly  
9        increased the ease of transporting, distributing,  
10       receiving, and advertising child pornography in  
11       interstate commerce. The advent of digital cam-  
12       eras and digital video cameras, as well as video-  
13       tape cameras, has greatly increased the ease of  
14       producing child pornography. The advent of in-  
15       expensive computer equipment with the capacity  
16       to store large numbers of digital images of child  
17       pornography has greatly increased the ease of  
18       possessing child pornography. Taken together,  
19       these technological advances have had the unfor-  
20       tunate result of greatly increasing the interstate  
21       market in child pornography.

22            (D) Intrastate incidents of production,  
23        transportation, distribution, receipt, advertising,  
24        and possession of child pornography, as well as  
25        the transfer of custody of children for the produc-

1        *tion of child pornography, have a substantial*  
2        *and direct effect upon interstate commerce be-*  
3        *cause:*

4                (i) *Some persons engaged in the pro-*  
5                *duction, transportation, distribution, re-*  
6                *ceipt, advertising, and possession of child*  
7                *pornography conduct such activities entirely*  
8                *within the boundaries of one state. These*  
9                *persons are unlikely to be content with the*  
10               *amount of child pornography they produce,*  
11               *transport, distribute, receive, advertise, or*  
12               *possess. These persons are therefore likely to*  
13               *enter the interstate market in child pornog-*  
14               *raphy in search of additional child pornog-*  
15               *raphy, thereby stimulating demand in the*  
16               *interstate market in child pornography.*

17               (ii) *When the persons described in sub-*  
18               *paragraph (D)(i) enter the interstate mar-*  
19               *ket in search of additional child pornog-*  
20               *raphy, they are likely to distribute the child*  
21               *pornography they already produce, trans-*  
22               *port, distribute, receive, advertise, or possess*  
23               *to persons who will distribute additional*  
24               *child pornography to them, thereby stimu-*

1            *lating supply in the interstate market in*  
2            *child pornography.*

3            *(iii) Much of the child pornography*  
4            *that supplies the interstate market in child*  
5            *pornography is produced entirely within the*  
6            *boundaries of one state, is not traceable,*  
7            *and enters the interstate market surrep-*  
8            *titiously. This child pornography supports*  
9            *demand in the interstate market in child*  
10           *pornography and is essential to its exist-*  
11           *ence.*

12           *(E) Prohibiting the intrastate production,*  
13           *transportation, distribution, receipt, advertising,*  
14           *and possession of child pornography, as well as*  
15           *the intrastate transfer of custody of children for*  
16           *the production of child pornography, will cause*  
17           *some persons engaged in such intrastate activi-*  
18           *ties to cease all such activities, thereby reducing*  
19           *both supply and demand in the interstate market*  
20           *for child pornography.*

21           *(F) Federal control of the intrastate inci-*  
22           *dents of the production, transportation, distribu-*  
23           *tion, receipt, advertising, and possession of child*  
24           *pornography, as well as the intrastate transfer of*  
25           *children for the production of child pornography,*

1           is essential to the effective control of the inter-  
2           state market in child pornography.

3           (2) The importance of protecting children from  
4           repeat exploitation in child pornography:

5                 (A) The vast majority of child pornography  
6                 prosecutions today involve images contained on  
7                 computer hard drives, computer disks, and re-  
8                 lated media.

9                 (B) Child pornography is not entitled to  
10                protection under the First Amendment and thus  
11                may be prohibited.

12               (C) The government has a compelling State  
13                interest in protecting children from those who  
14                sexually exploit them, and this interest extends  
15                to stamping out the vice of child pornography at  
16                all levels in the distribution chain.

17               (D) Every instance of viewing images of  
18                child pornography represents a renewed violation  
19                of the privacy of the victims and a repetition of  
20                their abuse.

21               (E) Child pornography constitutes *prima*  
22                *facie* contraband, and as such should not be dis-  
23                tributed to, or copied by, child pornography de-  
24                fendants or their attorneys.

1           (F) *It is imperative to prohibit the repro-*  
 2           *duction of child pornography in criminal cases*  
 3           *so as to avoid repeated violation and abuse of*  
 4           *victims, so long as the government makes reason-*  
 5           *able accommodations for the inspection, viewing,*  
 6           *and examination of such material for the pur-*  
 7           *poses of mounting a criminal defense.*

15      **SEC. 628. GRANTS FOR RAPE, ABUSE & INCEST NATIONAL**  
 16                                      **NETWORK.**

17      (a) *FINDINGS.*—Congress finds as follows:

18           (1) More than 200,000 Americans each year are  
 19       victims of sexual assault, according to the Depart-  
 20       ment of Justice.

21           (2) In 2004, 1 American was sexually assaulted  
 22       every 2.5 minutes.

23           (3) One of every 6 women, and 1 of every 133  
 24       men, in America has been the victim of a completed

1       or attempted rape, according to the Department of  
2       Justice.

3           (4) The Federal Bureau of Investigation ranks  
4       rape second in the hierarchy of violent crimes for its  
5       Uniform Crime Reports, trailing only murder.

6           (5) The Federal Government, through the Victims  
7       of Crime Act, Violence Against Women Act, and other  
8       laws, has long played a role in providing services to  
9       sexual assault victims and in seeking policies to in-  
10      crease the number of rapists brought to justice.

11          (6) Research suggests that sexual assault victims  
12      who receive counseling support are more likely to re-  
13      port their attack to the police and to participate in  
14      the prosecution of the offender.

15          (7) Due in part to the combined efforts of law  
16      enforcement officials at the local, State, and Federal  
17      level, as well as the efforts of the Rape, Abuse & Incest  
18      National Network (RAINN) and its affiliated rape  
19      crisis centers across the United States, sexual violence  
20      in America has fallen by more than half since 1994.

21          (8) RAINN, a 501(c)(3) nonprofit corporation  
22      headquartered in the District of Columbia, has since  
23      1994 provided help to victims of sexual assault and  
24      educated the public about sexual assault prevention,  
25      prosecution, and recovery.

1           (9) RAINN established and continues to operate  
2       the National Sexual Assault Hotline, a free, confiden-  
3       tial telephone hotline that provides help, 24 hours a  
4       day, to victims nationally.

5           (10) More than 1,100 local rape crisis centers in  
6       the 50 States and the District of Columbia partner  
7       with RAINN and are members of the National Sexual  
8       Assault Hotline network (which has helped more than  
9       970,000 people since its inception in 1994).

10          (11) To better serve victims of sexual assault, 80  
11       percent of whom are under age 30 and 44 percent of  
12       whom are under age 18, RAINN will soon launch the  
13       National Sexual Assault Online Hotline, the web's  
14       first secure hotline service offering live help 24 hours  
15       a day.

16          (12) Congress and the Department of Justice  
17       have given RAINN funding to conduct its crucial  
18       work.

19          (13) RAINN is a national model of public/pri-  
20       vate partnership, raising private sector funds to  
21       match congressional appropriations and receiving ex-  
22       tensive private in-kind support, including advanced  
23       technology provided by the communications and tech-  
24       nology industries to launch the National Sexual As-

1       *sault Hotline and the National Sexual Assault Online*  
2       *Hotline.*

3               (14) *Worth magazine selected RAINN as one of*  
4       *“America’s 100 Best Charities”, in recognition of the*  
5       *organization’s “efficiency and effectiveness.”*

6               (15) *In fiscal year 2005, RAINN spent more*  
7       *than 91 cents of every dollar received directly on pro-*  
8       *gram services.*

9               (16) *The demand for RAINN’s services is grow-*  
10       *ing dramatically, as evidenced by the fact that, in*  
11       *2005, the National Sexual Assault Hotline helped*  
12       *137,039 people, an all-time record.*

13              (17) *The programs sponsored by RAINN and its*  
14       *local affiliates have contributed to the increase in the*  
15       *percentage of victims who report their rape to law en-*  
16       *forcement.*

17              (18) *According to a recent poll, 92 percent of*  
18       *American women said that fighting sexual and do-*  
19       *mestic violence should be a top public policy priority*  
20       *(a higher percentage than chose health care, child*  
21       *care, or any other issue).*

22              (19) *Authorizing Federal funds for RAINN’s na-*  
23       *tional programs would promote continued progress*  
24       *with this interstate problem and would make a sig-*

1        *nificant difference in the prosecution of rapists and*  
 2        *the overall incidence of sexual violence.*

3        *(b) DUTIES AND FUNCTIONS OF THE ADMINIS-*

22               *(A) operation of the National Sexual As-*  
 23        *sault Hotline; a 24-hour toll-free telephone line*  
 24        *by which individuals may receive help and in-*  
 25        *formation from trained volunteers;*

1           (B) operation of the National Sexual As-  
 2           sault Online Hotline, a 24-hour free online serv-  
 3           ice by which individuals may receive help and  
 4           information from trained volunteers;

5           (C) education of the media, the general pub-  
 6           lic, and populations at risk of sexual assault  
 7           about the incidence of sexual violence and sexual  
 8           violence prevention, prosecution, and recovery;

9           (D) dissemination, on a national basis, of  
 10          information relating to innovative and model

 14          enforcement agencies, State and local govern-
